Traveller advice resources

New formats available for the UKHSA and NaTHNaC travel health information

The United Kingdom Health Security Agency (UKHSA) and National Travel Health Network and Centre (NaTHNaC) have collaborated to provide advice on how to reduce potential health risks for travellers [visiting friends and relatives](#) abroad and [mosquito spread infections](#).

The guidance is now available in additional formats; print, audio, video, video with British Sign Language, large print and Easy Read. Apart from English it is also available in 12 languages.
