'Getting to grips with travelling with HIV' webinar 21 June 2024 - registration is now closed

Registration for our third webinar is now closed

New for 2024 NaTHNaC is running a series of regular, free of charge, webinar sessions on Zoom, available to all health professionals interested in travel health.

We will be discussing recent website updates such as our news items, factsheets or country information pages, disease and vaccination changes, or clinical scenarios from our advice line.

There will be a presentation followed by time to ask questions. These events will be live but also recorded and made available on TravelHealthPro.

The third session will be on **21 June 2024 at 1pm; 'Getting to grips with travelling with HIV'**.

Registration for this event is now closed, as the maximum number of delegates has been reached.
