Introducing TravelHealthPro's new travel infographics

NaTHNaC has created travel specific infographics featuring international celebrations, sports tournaments and other global mass gatherings

NaTHNaC has developed a series of topical infographics for travellers, travel health professionals, the travel industry and any other organisations involved with overseas travel or advising travellers.

These infographics focus on forthcoming international events and are designed to provide quick visual reminders of key travel health advice and relevant country-specific recommendations.

See our new [travel health infographics page](#) for more information.
