‘Getting to grips with advising pregnant travellers’ webinar 27 September 2024 - registration is now closed

Registration for our fourth webinar is now closed

New for 2024 NaTHNaC is running a series of regular, free of charge, webinar sessions on Zoom, available to all health professionals interested in travel health.

We will be discussing recent website updates such as our news items, factsheets or country information pages, disease and vaccination changes, or clinical scenarios from our advice line.

There will be a presentation followed by time to ask questions. These events will be live but also recorded and made available on TravelHealthPro.

The fourth session will be on **27 September 2024 at 1pm; ‘Getting to Grips with advising pregnant travellers’**.

Registration is now closed as the maximum number of delegates has been reached. A recording of the event will be available in due course.
